VINEYARD

2018 *DIANE'S ROSÉ*

BACKGROUND

“*Diane's Rosé* is named for my wife and partner of 26 years. Diane has always loved the dry Rosés of France and in 2018 we were able to create a Rosé in that style from our Estate Pinot Noir grapes. With its lovely color, fragrant aromas and delicious flavors, *Diane's Rosé* is almost as beautiful and vivacious as she is. Cheers!” -- Dan Gainney

WINE NOTES

Diane's Rosé is produced from grapes grown on our Evan's Ranch property in Sta. Rita Hills. It is made in a clean fresh style that will please any Rosé fan. This wine will pair beautifully with light salads, light pasta dishes, seafood, grilled vegetables and goats' cheeses.
