

# GAINNEY

VINEYARD

## 2020 LIMITED SELECTION RIESLING

### BACKGROUND

Committed to exploring the diversity of Santa Ynez Valley's two distinctly different microclimates, the Gainey family was the first to own properties in both the cool, western end of the valley, Sta. Rita Hills, where the focus is on Burgundian varieties, and the warm, eastern end of the Santa Ynez Valley, where the grapes for this wine were grown. Gainey Vineyard is committed to farming in a safe and sustainable way — a way that protects our employees, benefits the environment and produces fine wines.

We vinify our Limited Selection Riesling exclusively from grapes grown in our estate Home Ranch vineyard in the eastern end of Santa Ynez Valley, a relatively warm site that nonetheless has proved ideal over the years for the noble Riesling variety. The fruit is cold-fermented in stainless steel tanks and bottled after just a few months, with no time in barrel, to preserve and accentuate its fresh, floral aromas and lusciously fruity flavors.

### WINE NOTES

The multi-faceted bouquet of this delightfully fragrant wine is redolent of jasmine, spiced pear and lemon verbena. On the palate, the wine offers rich, round flavors of honeyed apple, peach, apricot and lime, with a zesty spice tone surfacing in the long, refreshing finish. A touch of residual sugar allows this wine to pair well with spicy Asian and Central American cuisine. This immensely appealing Riesling will age gracefully in for another 1-2 years from the time it was bottled.

HARVEST DATES:	September 11th, 2020
COMPOSITION:	100% Gainey Home Ranch Riesling
FERMENTATION:	100% cold-fermented in stainless steel tanks
BARREL AGING:	None
BOTTLED:	January 14th, 2020
