2019 LIMITED SELECTION PINOT NOIR

We craft our Limited Selection Pinot Noir entirely from grapes grown at our Evan's Ranch property in western Santa Ynez Valley. The nearby Pacific Ocean, just ten miles away, exerts a strong marine influence on Evan's Ranch, with daily morning fog and stiff afternoon breezes ensuring a long, cool growing season and the development of intense, varietally expressive flavors in our estate Pinot Noir grapes.

Reflecting its cool-climate provenance, it bursts from the glass with fresh, intense, black cherry, red raspberry, pomegranate, and rose petal aromas, complemented by notes of vanilla and spice. Delightfully rich and juicy on the palate, its bright, mouth filling, dark cherry, black raspberry and blackberry flavors lead to a long, flavorful finish with lingering dark cherry, mineral and tea-leaf spice tones. A brilliant accompaniment to grilled salmon, roast duck and chicken, lamb chops and light pasta dishes, this delicious Pinot Noir will age beautifully for another 3-5 years from the date it was bottled.
